

ROBERT C. WILLIAMS

EDUCATION

University of South Florida, Tampa - Bachelor of Science in Chemical Engineering Environmental Engineering Emphasis

- Dean's List of Scholars
- Golden Key National Honor Society
- Tau Beta Pi - National Engineering Honor Society

PROFESSIONAL MEMBERSHIPS AND CERTIFICATIONS

National Organization of Remediators and Mold Inspectors (NORMI)

American Institute of Chemical Engineers (AIChE)

Florida Advisory Committee on Arson Prevention (FACAP)

International Association of Arson Investigators (IAAI)

National Association of Fire Investigators (NAFI)

CAREER HISTORY

Forcon International, Tampa, Florida - Conducts mold investigations including determination of the moisture source causing the mold and preparation of mold remediation protocols.

Interscience, Inc., Tampa, Florida - Vice President, Senior Forensic Analyst

Interscience, Inc., Tampa, Florida - Technical Analyst

Origin and Cause investigations of water related property damage, including failure analysis of plumbing and piping systems and components.

Extensive experience in Indoor Air Quality evaluation with emphasis on fungal infestation. Development of protocols and supervision of remediation activities for contaminated property. State of Florida Certified Mold Assessor (MRSA2514)

Technical and scientific investigation of residential, commercial, industrial, marine, and vehicular fires. Product liability; evaluation of product manufacturing, design, installation and operation.

Jackson Products Company, Tampa, Florida - Technical Specialist

United States Air Force - Electronics Specialist

- Maintenance of Cryptographic Systems
- Held security clearance of TS/SCI
- Attained rank of Sergeant (E-4)

PROFESSIONAL DEVELOPMENT

- April 2018 Assessor/Remediator CE Course
- Including 6-hours Water (moisture intrusion)
 - 4-hours Mold & Mold Safety
 - 2-hours Report Writing
 - 2-hours Florida MRS Statute and Standards of Practice
- November 2016 CMA - NORMI Certified Mold Assessor Course
- November 2010 FACAP Annual Training Conference, Ocala, Florida
- November 2009 FACAP Annual Training Conference, Ocala, Florida
- March 2006 Southcon Seminar, Orlando, Florida - "Transient Voltage Surge Suppression"
- July 2003 Florida Engineering Society Seminar, St. Petersburg, Florida - "Design to Control Mold and Moisture"
- September 1998 Professional Arson Co-Op of Florida NFPA 921 Seminar
- February 1997 University of Wisconsin-Madison, College of Engineering, Tempe, Arizona - "Training the Engineering Expert Witness"
- July 1997 Cincinnati, Ohio - "Polymer Properties-Their Structure and Processing"
- March 1996 Eastern Kentucky University, Richmond, Kentucky - National Advanced Fire, Arson and Explosion Investigation Science and Technology Program
- February 1995 Houston, TX - "Fundamentals of Fire and Explosion Hazards Evaluation"
